features are focused on individual player goals there are
no social or competitive mechanics at all on the one hand
they re not as common in merge games on the other
hand if you look at the top 100 casual games competitive
mechanics are the most popular they come in all shapes
and forms limited time tournaments various races 1 on 1
competitions etc my prediction is that competitive
mechanics will be the next big thing in merge games too
gossip harbor with its tournaments has already made the
first step in that direction
