the same types of offers pop up when there s an event with a unique playing board and its own energy going on the price setting and rewards are the same with the exception of energy that resource is event specific i love this game the only thing i can t get to grips with is that it seems that the timers restaurant speed boat museum etc don t seem to move unless you are on the actual game once you played all your moves who s going to sit with the app open until it reloads not me and some of the timers the wait time in them is far too long and if you want to skip waiting it s far to expensive i expect to get board of this game eventually the other thing the shop where you can purchase stuff you should be able to purchase other items like painting from the museum i ve cream and desserts it seem that aspect of the game is still stuck at level one offering only sand castles shells and food from the basket that also goes the same for chests as you progress further in the game people ask for other stuff that s not level one stuff sand bucket basket but that s what you are being rewarded with eventually you will end up with a board filled with stuff you don t need also it would be good if you could sell the sand buckets or picnic baskets i don t need like 10 of them spec when the people are asking for other things from other places another great feature would be if you could give the item to the person freeing up some space on the board until

those order is completed all in all the game is a great concept and i do enjoy playing it thanks for your hard work everyone can t get enough of solidcore take your fitness routine to the next level and unlock your endless potential by becoming a member with a solidcore membership you gain exclusive access to perks that keep you motivated and on track to create the strongest version of yourself enjoy early access to our solidcore schedule each month discounted retail waived late cancellation fees and the freedom to work out at any of our studios membership benefits also include access to special offers and studio events plus the ability to bring a friend to class for free if you re ready to embrace the shakes and put in that real work solidcore is the full body workout for you upgrade to a membership today and join our community under the blue lights merging ordinary items requires too much effort and there is no way to give gifts to friends in addition when friends receive gifts such as collection cards there is no place to see these cards and there is no way to show you that they have received the gift due to the high energy required and lack of cooperation i am likely to eventually uninstall this game
