

## Travel Town unlimited energy and gems [#MZ@T3]

you can also save space by gathering the same items moreover if you are running out of space then drag items to your spare inventory space as well as the board slots you can also purchase more spare inventory spaces select the dollar icon to sell items you do not need that is also a good way to free up more space travel town is a captivating mobile game that merges the thrill of adventure with the satisfaction of puzzle solving developed by magmatic games a british game studio travel town invites players to restore a storm ravaged town to its former glory through engaging merge 2 gameplay the game s journey began in early 2022 when magmatic games started to buy traffic to promote their new venture to start to play the game you need energy you will start with 100 units of energy in the form of lightning you must use them wisely the energy will allow you to constantly load items on the board but energy is indeed spent quickly that is why we suggest keeping energy items like smileys in the inventory and reaching the maximum level for an energy item at the maximum level you will get 100 units of energy no roads cars or emissions it will run on 100 renewable energy and 95 of land will be preserved for nature people s health and wellbeing will be prioritized over transportation and infrastructure unlike traditional cities
