with over than 25 years practice in award winning architecture firms including as morphosis architects regional director tarek qaddumi now leads the neom urban planning team including the line he has undergraduate and master of architecture degrees from the university of michigan ann arbor more than half of the quests get done as players go about their usual gameplay with no extra effort required but to complete the remaining 20 40 they ll have to either be more active and or pay money travel town is an up and coming merge 2 project from a british developer called magmatic games the game started buying traffic in early 2022 and has been making steady progress ever since an especially impressive performance surge came in early 2023 downloads increased by more than two times and revenue almost tripled if the trend was anything to go by this is just the beginning the game was fun at first but i ve had many glitches over the past few months i assume this is coming from new updates first i haven t been about to play for the past 3 5 days because as soon as i get on it says there is an internet connection issue and then loads forever and nothing happens this is 100 not an internet issue on my end and i don t think there s a way that i can fix this problem since the game will completely load in and then when i get to the board it starts having the issue second i ve had a one one my production items just copy

itself for no reason it s a low level one and i have no use for it since i have completely leveled up the production item that is was supposed to be it s been sitting in my extra storage space for months now so it s literally useless and taking up space third issue is sometimes i will be playing and some of my items will turn invisible like they are still their and i can move them but i can t see them really annoying because i think i have more space on my board and then i have to figure out switch item is glitching and it s just this big hassle this is more of an opinion but i hate how you guys changed the some of the skins for past items they looked fine before and it kind of looks worse only leaving this review to see if i can get these issues fixed because i do enjoy playing the game other than these issues i ve been having
