

travel town unlimited energy [#;VLFN]

the game quickly gained traction and by early 2023 it experienced a significant surge in both downloads and revenue with figures more than doubling and tripling respectively this impressive performance indicated that travel town was not just another game in the crowded mobile game market but a standout project with a promising future if you would like to stay up to date with trading requests i recommend subscribing to this post by clicking on the 3 dots menu and selecting subscribe mobile or clicking on the bell icon at the top right corner of this post desktop the company initially prioritised android because it s easier to launch a project marketing wise but as of today the downloads and revenue are distributed almost equally between ios and android that s a typical pattern in the industry for instance love pies sales are split between the platforms 50 50 while merge mansion and gossip harbor net more revenue from ios compared to flying taking a bus or train can be more cost effective convenient and sustainable it s not always possible to avoid flying but consider which flights you take some flights pollute less than others
